## TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be broken up.
2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.
3. Auction sales are strictly for cash, and must be paid for promptly in U. S. funds.  $1\frac{1}{2}\%$  per month will be added to all bills delinquent after 1 month from date of sale.
4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted, subject to collection.
5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims. Lots sold to floor bidders are not returnable.
7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers liable to tax.
8. Unlimited or "buy" bids cannot be accepted.
9. The placing of a bid will constitute acceptance of the foregoing terms of sale.
10. We cannot be responsible for any errors on the part of bidders. Please be careful.
11. No consignors, nor their agents, will be permitted to bid on their own material.

# The **hrn** Newsletter:

It seems odd to be thinking of ancient household utensils used by long-vanished people when the world outside our new store is turning green again with the eternal promise of another spring!

But, we here at Harmer Rooke cannot help but be excited with our new Antiquities Department, certainly the largest and best stocked of its kind to be found in any coin establishment in the world. From Ancient Persia to relatively modern Cambodia we have covered the world with all sorts of beautiful objects — Votive, Decorative, Esthetic and plain old Utilitarian. We can offer Buddhas from old Japan, weapons from ancient Luristan, wine jugs from Amlash and Siaulk cultures, delicate olive dishes hand painted and decorated by Nishipurian artists during the time of Aladdin, and many, many others too numerous to list.

Additionally, with this auction, we are placing for sale a small consignment of beautiful pieces, all of which we feel certain will merit your admiration and bids. These pieces are in addition to the celebrated Dattari Collection coins, and the many other lots on the following pages.

And, even though we are excited by our ancient objets d'art we have not forgotten that our primary interest is Numismatics — good old coins from everywhere, in all metals, sizes and shapes, and at all price levels (none of them exorbitant).

Our store is one of the largest in the world, perhaps the most comfortable coin store you have ever shopped in. Our staff is courteous, knowledgeable and eager to serve you. And, we look forward to summertime visits from all our old friends, our new friends, and our friends-to-be on your New York visits.

P.S. — You'll find our Stamp Department a delightful place to visit, too. Just across the aisle from us, their stock books are crammed with goodies from the world over, and cheerful, courteous service awaits you. Right above them, on our mezzanine, you will find Harmer Rooke Galleries open to the public during store hours, and showing the world's greatest rarities in Stamps and Coins. So, come to see us. You'll be glad you did.

## COINS FROM THE DATTARI COLLECTION

It is with great pride that Harmer Rooke Numismatists Ltd. presents the duplicates of the world famous Dattari collection of ancient Roman Alexandrian coins. Put together by Dr. Dattari, over a great period of time for Sultan Abdul Hamid II, these coins depict various gods of Egyptian, Greek and Roman cultures. The earlier tetradrachms are of billion, a debased silver which was continually adulterated until it became bronze. All coins have been professionally museum cleaned.

The following objects were all found in the crescent-shaped area of Northern Persia and Southern Russia which is commonly known as Amlash. Although many are from the town of Amlash itself, some of the pieces were found at Siaulk, and the warrior grave site at Marlik. For centuries, conquering armies followed this route south to Turkey, thus accounting for the rich archeological finds in the area.
